Guidelines for Contributors

The Journal of Humanities and Social Sciences, University of Peshawar, a peer-reviewed journal, published three times a year (April, August, and December), invites research papers for consideration for publication in the field of social sciences and humanities. Manuscripts (a softcopy on a CD, and two double-spaced hardcopies) should not exceed 7000 words (including endnotes and references) plus an informative abstract (200 words maximum), and should be accompanied by a crossed cheque of Rs. 3000 (Pak Rupees three thousand only) payable to “the Editor, JHSS.” Papers should be composed in MS Word, Times New Roman, and Font Size 11. Figures, tables, graphs (if any) should not be out of the margins of the text of the paper (13cm). Quotations in languages other than English must be translated in the body of the paper, and accompanied by the original in the endnotes. The author’s name, title/designation, e-mail and mailing addresses and institutional affiliation should appear on a separate title page. *The Journal of Humanities and Social Sciences* will consider one single-authored (as principle author) and one co-authored (as second/third author) by the same author for publication per number. The maximum acceptable number of co-authors is three!

The Journal of Humanities and Social Sciences follows a variant of APA/MLA styles to accommodate the multi-disciplinarian work that the journal features. References must indicate full name(s) of author(s), editor(s), year of publication, city of publication, publisher’s full name, and page numbers in case of book; and full name(s) of author(s), year of publication, full title of the article, full title of the journal, volume and issue numbers, and page numbers. References at the end of papers in a latest issue of our journal are a good immediate suggestion for potential contributors. Papers not following these guidelines will not be processed. Further, your references and citations must be very recent. Papers with no recent/latest citations will be returned.

It is also important that you carefully proofread your paper before submitting to ensure that it is free of all grammatical errors and typos. You may get help from a native speaker of English or the English faculty of your institution, or use some grammar-software that are supposed to check grammar according to the genre of writing you choose.

Every author is also now required to submit a *Turnitin* plagiarism report in soft form, though we will continue to check submissions for plagiarism.

All correspondence related to the journal should be addressed to the Editor. Please visit us at <http://jhss.upesh.edu.pk/>
